

A.	SPECIFIC CONDITIONS :	
Sl.No.	Particulars	Compliance
i.	Measures shall be taken to reduce PM levels in the ambient air. Continuous stack monitoring facilities for all the stacks shall be provided and sufficient air pollution control devices viz. Electrostatic precipitator (ESP), bag house, bag filters etc. shall be provided to keep the emission levels below 50 mg/ Nm ³ and installing energy efficient technology.	We have taken necessary measure to keep the emmmsion level below prescribed limits
ii.	Gaseous emission levels including secondary fugitive emissions from all the sources shall be controlled within the latest permissible limits issued by the Ministry vide G.S.R 414 (E) dated 30 th May 2008 and regularly monitored. Guidelines/ Code of Practice issued by the CPCB shall be followed.	Noted and Followed
iii.	Vehicular pollution due to transportation of raw material and finished product shall be controlled. Proper arrangements shall also be made to control dust emissions during loading and unloading off the raw material and finished product.	Noted and necessary arrangements have been made
iv.	Total fresh water requirement after the proposed expansion shall not exceed 205 KLD [Existing: 159 KLD; Additional: 46 KLD] and it will be met ffrom Damodar Valley Corporation / PHE / Rainwater Harvesting. Prior permission shall be obtained from the Competent Authority for water drawl. 'Zero' effluent discharge shall be strictly followed and no wastewater shall be discharged outside the premises.	The water consumption at our plant is 400-450 KL/day. We are drawing river water from Damodar Valley Corporation and DVC raises monthly bills on us for water drawn. We are regularly informing state PCB regarding the same and have even paid water cess against it in the past. We are following zero discharge policy
v.	Regular monitoring of influent and effluent surface, sub-surface and ground water shall be ensured and treated wastewater shall meet the norms prescribed by the State Pollution Control Board or described under the E(P) Act whichever are more stringent.	Noted and regular monitoring is conducted
vi.	Proper handling, storage, utilization and disposal of all the solid waste shall be eensured and regular report regarding toxic metal content in the waste material and its composition , end use of solid/ hazardous waste shall be submitted to the Ministry's Regional Office at Bhubaneshwar, SPCB and CPCB.	Noted and our slag is non hazardeous. It is used for land filling and road making
vii.	A time bound action plan shall be submitted to reduce solid waste, its proper utilization and disposal.	The reduction of solid waste is not possible due to nature of processing, however, proper handling and disposal is taken care of
viii.	A Risk and Disaster Management Plan (Including Earth quake and Seismic hazard) shall be prepared and a copy submitted to the Ministry's Regional Office at Bhubaneshwar, SPCB and CPCB within 3 months of issue of environment clearance letter.	??

ix.	As proposed green belt shall be develop in at least 33% of the project area. Selection of plan species shall be as per the CPCB guidelines in consultation with the DFO.	Noted and developed
x.	All the commitments made to the public during Public hearing/ Public Consultation Meeting held on 27.02.2014 shall be satisfactorily implemented and adeqate budget provision shall be made accordingly.	Noted and fulfilled the commitments
xi.	At least 5% of the total cost of the project shall be earmarked towards the Enterprise Social Commitment based on earlier Public Hearing Issued, locals need and item-wise details along with time bound action plan shall be prepared and submitted to the Ministry's Regional Office at Bhubaneshwar. Implementation of such program shall be ensured by constituting a Committee comprising of the proponent, representatives of village Panchayat and District Administration. Action taken report in this regard shall be submitted to the Ministry's Regional Office at Bhubaneshwar.	Noted and fulfilled the commitments
xii	The company shall submit within three months their policy towards Corporate Environment Responsibility which shall inter-alia address (i) Standard operating process/ procedure to being into focus any infringement/ deviation/ violation of environmental or forest norms/ conditions, (ii) Hierarchical system or Administrative order of the company to deal with environmental issues and ensuring compliance to the environmental clearance conditions and (iii) System of reporting of non-compliance/violation environmental norms to the Board of Directors of the company and /or stakeholders or shareholders	Noted and shall comply with
xiii.	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking , mobile toilets, mobile STP, safe drinking water, medical healthcare, Creche, etc. The housing may be in the form of temporary structures to be removed after the completion of the project.	Noted and complied with
B.	GENERAL CONDITIONS:	
Sl.No.	Particulars	
i.	The project authorities must strictly adhere to the stipulations made by the West Bengal Pollution Control Board and the State Government.	Noted and complied with
ii.	No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forests and Climate change (MOEF & CC).	Noted

iii.	At least four ambient air quality monitoring stations should be established in the downward direction as well as where maximum ground level concentration of PM 10, PM 2.5, SO2 and NOX are anticipated in consultation with the SPCB. Data on ambient air quality and stake emission shall be regularly submitted to this Ministry including its Regional office at Bhubaneshwar and the SPCB/ CPCB once in six months.	We are getting ambient air quality checked at four locations by an external agency on a monthly basis.
iv.	Industrial waste water shall be properly collected, treated so as to conform to the standards prescribed under GSR 422 (E) dated 19 th May, 1993 and 31 st December 1993 or as amended for time to time. The treated wastewater shall be utilized for plantation purpose.	We have zero discharge policy and no waste water is generated during manufacturing process
v.	The overall noise levels in and around the plant area shall be kept well within the standards (85 DBA) by providing noise control measures including acoustic hoods, silencers, enclosures, etc. on all sources of noise generations. The ambient noise levels should conform to the standards prescribed under EPA rules, 1989 viz, 75 DBA (day time) and 70 DBA (night time).	Noted and complied with
vi.	Occupational health surveillance of the workers shall be done on a regular basis and records maintained as per the Factories Act.	Noted and complied with
vii.	The company shall develop rain water harvesting structures to harvest the rain water for utilization in the lean season besides recharging the ground water table.	Complied with recharging the ground water table, Since the water requirement is huge, rain harvesting will not be sufficient to meet the requirement during lean time ??
viii.	The project proponent shall also comply with all the environmental protection measures and safeguards recommended in the EIA/EMP report. Further, the company must undertake socio-economic development activities in the surrounding villages like community development programmes, educational programmes, drinking water supply and health care etc.	Noted and complied with
ix.	Requisite funds shall be earmarked towards capital cost and recurring cost/annum for environment pollution control measures to implement the conditions stipulated by the Ministry of Environment, Forests and Climate Change (MoEF&CC) as well as the State Government. An implementation schedule for implementing all the conditions stipulated herein shall be submitted to the Regional Office of the Ministry at Bhubaneshwar. The funds so provided shall not be diverted for any other purpose.	Noted and complied with
x.	A copy of clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parishad/Municipal Corporation, Urban Local Body and the local NGO, if any, from whom suggestions/representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.	Noted and complied with

xi.	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of the MOEF&CC at Bhubaneshwar. The respective Zonal Office of CPCB and the SPCB. The criteria pollutant levels namely; PM ₁₀ , SO ₂ , NO _x (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the projects shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.	Noted and shall comply with
xii.	The project proponent shall also submit six monthly reports on the status of the compliance of the stipulated environmental conditions including results of monitored data (both in hard copies as well as by e-mail) to the Regional Office of MOEF&CC, the respective Zonal Office of CPCB and SPCB. The Regional Office of this Ministry at Bhubaneshwar/CPCB/SPCB shall monitor the stipulated conditions.	Noted and shall comply with
xiii.	The environmental statement of each financial year ending 31 st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of environmental conditions and shall also be sent to the respective Regional Office of the MOEF&CC at Bhubaneshwar by e-mail.	Noted and complied with
xiv.	The Project Proponent shall inform the public that the project has been accorded environmental clearance by the Ministry and copies of the clearance letter are available with the SPCB and may also be seen at Website of the Ministry of Environment, Forests and Climate Change (MoEF&CC) at http://envfor.nic.in This shall be advertised within seven days from the date of issue of the clearance letter, at least in two local newspapers that are widely circulated in the region of which one shall be in the vernacular language of the locality concerned and a copy of the same should be forwarded to the Regional office at Bhubaneshwar.	Noted and complied with
xv.	Project authorities shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities and the date of commencing the land development work.	Not applicable as it is a brownfield expansion and project was executed using internal accruals
